Which Side Are You On?

I was sittin' home watchin' CNN
Runnin' that government line
They say that Israel must be safe
Well what about Palestine?

CHORUS:

Which side are you on?
Which side are you on?
Justice or oppression?
Which side are you on?

All we really want is peace
Palestinians want it too
But **segregation** walls and bombs
Can't lead to anything new

From New York to Palestine
Folks struggle for their rights
Until each child can say, "I'm free!"
We all must join the fight

Boycott, Divestment, Sanctions
BDS to be concise
You too can help Apartheid end
Make Israel pay a price

CHORUS:

Which side are you on?
Which side are you on?
Justice or oppression?
Which side are you on?

Boycott Raichel

(tune: " Bella Ciao")

We've got to wake up
We've got to wise up
We've got to boycott Raichel
And do it now now now
We've got to build a better future
To fight for freedom this we vow

Supporting conquest
Is what we protest
Idan is *artwashing* IDF war crimes
We've got to *build* a better future
With peace and *justice*, not just rhymes

Your music's global
But not so noble
Cuz you *support* dispossessing
 indigenous folks
We want our *music* to fight for freedom
Not a phony fusion hoax

So let's all wake up
The truth let's take up
No more *stealing* of water and land and
 rights
We're gonna build a better future
And we're gonna start right now

When the IDF Goes Marching In

(tune: "When the Saints Go Marching In")

When the IDF goes marching in
When the IDF goes marching in
Wake up *from* your human rights slumber
When the IDF goes marching in

And when brigades make brutal raids
Enabled by artwashing stars
Wake up *from* your human rights slumber
Don't bring your guns, just bring guitars

When folks deny, turn a blind eye
To suffering in Palestine
Wake up *from* your human rights slumber
From your PR post resign

You're known worldwide, Jekyll and Hyde
About the settlers you have lied
Wake up *from* your human rights slumber
Reclaim your conscience as your guide

Your music's cool, you really rule
Over the conquered and their lands
Wake up *from* your human rights slumber
Help us boycott Israel's brands

We Shall Not Be Moved

Chorus:

We shall not, we shall not be moved
We shall not, we shall not be moved
Just like a tree that's planted by the water
We shall not be moved

Your music's really thrilling
But we do not approve
Cause *you* support the killing
We shall not be moved
That's why we'll *boycott* you Idan 'til
there's justice
We shall not be moved

You're making groovy culture
We shall not be moved
But *you're* just fine with torture
We shall not be moved
So we'll boycott you Idan 'til there's
justice
We shall not be moved

You *hide* the truth behind a veil
We shall not be moved
Working hard for Brand Israel
We shall not be moved
We'll boycott you Idan 'til there's justice
We shall not be moved

Ambassador for hasbara
We shall not be moved
Supporting settler violence
We shall not be moved
We'll boycott you Idan 'til there's justice
We shall not be moved

You *boost* IDF torturers
We shall not be moved
You're shilling for apartheid
We shall not be moved
Until *Israel* stops its ethnic cleansing
We shall not be moved

Your music comes from many lands
We shall not be moved
While *Israel's* racial hate expands
We shall not be moved
So we'll boycott you Idan 'til there's
justice
We shall not be moved

Sometimes we have to *give* up
Getting in the groove
When artists fail to *live* up
To *human* rights improvement
So we'll boycott you Idan 'til there's
justice
We shall not be moved

You sing of love in Hebrew
We shall not be moved
A *fig* leaf for what *you* do
We shall not be moved
So we'll boycott you Idan 'til there's
justice
We shall not be moved

Multi-ethnic fusion is
Where you really rock
Too *bad* you're still supporting
That *ethnic* cleansing shlock
So we'll boycott you Idan 'til there's
justice
We shall not be moved

Music hiding *land* theft
Really is a crock
Crimes against humanity
Could *land* you in the dock
So we'll boycott you Idan 'til there's
justice
We shall not be moved
